Other Existing Records: See text; see photo of front in
"Early Manor and Plantation Houses of Maryland",
Page 201.

Additional Data: See following page.

THOMAS HOUSE
On Tuckahoe Creek
3 miles from Ingleside
Queen Anne's County, Maryland.

ARCHITECTURAL DESCRIPTION:

"The kitchen part of the house is but one story high. There are no cornices to the rooms; but beneath the stair-landing window block-like corbels with "drops" appear to support the sill where the trims come down.

Underneath the house is a large slave cellar." 1

Between the kitchen and the hall is a small window through which food was passed. 2
